Every member of the Cabinet, and it is believed every friend of the Government here, deplore the hasty censure visited upon the War De partment by some of the loyal papers in the country. It has already been stated that Mr. Wilson, in the Senate, stated, upon the highest anthority, that the disposition of our forces upon which censure was passed was approved by the President and by the whole Administration. It is useless sold this spring fifty dollars' worth of Delaware vines at to expect anything like a safe business or personal safety in any part of the slave States unless the whole country is held by military occupation and military power. One-third of our population must be expelled from the country, and their places supplied by Northern colonists. It will take years to subdue the proud despots and overthrow finally this ty-

is lying idle, and I am losing the revenue of ordinary times. Our currency is useless for all bullion and two hundred yards gold lace, seized at business purposes. Our banks are to resume Evansville, Indiana, for a violation of the laws of specie payments soon and scatter the Confederate trash to the wind. I repeat, there must be a strict military occupancy of this whole country for years. The population must be changed and slavery abolished before peace and safety can be established in any part of this country. The old
